## 👤 PROFESSIONAL SUMMARY

Frontend Developer with **5+ years** of experience specializing in robust, scalable UI development within the **React** ecosystem, leveraging **JavaScript**, **TypeScript**, and **Tailwind** for high-fidelity interfaces. Focused on **performance optimization** and superior **UX/UI** (Figma), driven by a creative problem-solving mindset rooted in musical composition. Proven impact: I led a refactoring initiative that improved Core Web Vitals from 50 to **86** and reduced load time by **4 seconds**.

## 🧠 TECHNICAL SKILLS

**Languages:** JavaScript, TypeScript, Python, HTML, CSS

**Frameworks & Libraries:** React, Next, Tailwind, Material UI, Three.js

**Tools & Platforms:** Git, Figma, Google Analytics, Hotjar, Twig

**Methodologies:** Agile, Responsive Design, Design Fidelity, Performance Optimization

**Certifications:** Technical Degree in Programming

## 📁 WORK EXPERIENCE

**React Developer, Holocruxe** 📍 09/2025 – Present

- Holocruxe is a dynamic tech company focused on create digital legacy for companies though artificial intelligence
- Engineered 15+ reusable React components** (TS/Tailwind), **reducing development time by 20%** and ensuring the application's long-term scalability.
- Spearheaded** the frontend refactoring initiative, **eliminated 30% of repetitive code** and **boosting team efficiency by 40%** through comprehensive documentation.
- Delivered** customized UI solutions with **99% design fidelity** (Pixel Perfect) based on Figma, maintaining a **minimal bug-fix rate** and streamlined QA processes.

**Web Developer, Avature** 📍 03/2024 – 09/2025

- Avature is a leading SaaS platform for talent management and recruiting for large enterprises, utilizing AI to optimize candidate search, screening, and performance evaluation.
- Delivered over 100 client customization cases**, successfully deploying **96%** (96 cases) to production on the first attempt, managing a minimal issue rate.
- Managed** the end-to-end development of **20+ client portals** (including 5 full new builds), ensuring 100% adherence to branding guidelines via **pure CSS, Twig, and HTML emails**.
- Acted as the key communication bridge** between UI/UX and QA teams, proactively identifying and resolving potential inconsistencies early to guarantee high-quality final delivery.

**Frontend Developer, Holocruxe** 📍 08/2023 – 03/2024

- Drove** the refactoring of the external Landing Page, resulting in Core Web Vitals improvement (50 to **86**) and load time reduction by **4 seconds**.
- Established** the foundational frontend architecture for the core platform, utilizing **Next.js, TypeScript, and Material UI** during the startup's inception.
- Innovated** the user experience by **implementing 3D modeling features** using **Three.js** and **Blender**, showcasing specialized UI development capacity.

**Web Developer, Focus On Kids** 📍 01/2023 – 08/2023

- Focus On Kids was a clinical center specializing in therapies for children with disabilities and behavioral issues, led by a team of therapists.
- Chaired** and assembled a cross-functional team (UI/UX, PM) to **architect and build a new 10-page React website** for the company's rebranding initiative.
- Achieved a significant business impact** by increasing organic web traffic by approximately **90%** and **boosting client inquiries by ~35%**, rapidly improving online visibility.

**Frontend developer, Onlines&co** 📍 11/2020 – 08/2021 | Argentina

- Onlines&co is an agency that develops websites for companies, media, and organizations globally.
- Established** a foundational skill set in core web development, executing practical projects to build responsive sites and customized templates using **HTML, CSS, JavaScript, and WordPress**.

## EDUCATION

---

**UTN - Universidad Tecnológica Nacional,**  
*Technical Degree in Programming*

2023 – 2025 | Argentina

**Harvard's CS50,** *Advanced Certification*

2025

**Josh Comeau,**  
*Advanced Certification ( CSS, React, Animations)*  

2025

## LANGUAGES

---

**Spanish** — Native/Bilingual

**English** — Fluent

**Italian** — Conversational
